Family Law Act applications

18. FLA applications that would have been issued at WLFC, Barnet and Willesden will continue to be issued from those courts.

19. FLA applications that would have been issued at Brentford, Edmonton, Kingston and Uxbridge will continue to be issued from those courts. Although these courts have been suspended, their work continues to be administered by the admin teams working from different locations, and heard by the Judges working from different locations. For the avoidance of doubt, these applications will not be issued by WLFC or Barnet.
